

Harry V. Lonnenman Memorial Scholarship

Purpose: To commemorate the life of Harry and to promote the values he lived by. Harry passed away suddenly at the early age of 53. He was a long-time friend to so many and a vital member of the Tim Browne Memorial Fund. His kind and gentle spirit was evident in everything he did, including the countless volunteer hours supporting the TBMF. When he wasn't working, Harry enjoyed life to the fullest, and his laughter and smile were infectious. And he always wanted everyone around him to join in on the happiness and "carry on". This scholarship honors Harry's memory and helps others that convey the same beliefs as Harry.
